Summary

Strategic Accounts and Sales Leader | IIM Indore MBA & CS Engineer

7+ years of experience operating as a business consultant, scaling high-value enterprise accounts, and driving cross-functional GTM strategies across Fintech, E-commerce, and Digital Strategy domains. Combining an IIM Indore MBA with a Computer Science engineering foundation to act as data-first owner, navigate macro-ambiguity, and architect multi-quarter, multi-product growth solutions for leading brands and partners.

Experience

ICICIBankLtd | Chief Manager, Commercial Payment Solutions Team

Aug 2023- Present

- Strategic Revenue Growth: Scaled the commercial cards portfolio from **INR 240 Mn to INR 1800 Mn** by acquiring **60+ new corporate entities** within 3 years and managing 167 existing corporates, leveraging a data-driven acquisition and client segmentation strategy to maximize customer success.
- Consultative Executive Partnerships: Structured and executed the organization's largest commercial contract in India-a high-value, multi-product **INR 200 Mn monthly revenue deal with Wipro Limited** by aligning parent company leadership and regional stakeholders.
- Cross-Functional Solutioning: Orchestrated complex "360-degree" product bundling and long term business strategy maps by uniting Risk, Legal and Engineering teams to deliver customized tools and a 15% annual profitability surge.
- Translating Needs into Features: Served as a trusted bridge between global clients and the engineering group, translating merchant operational pain points into **3+ live automation features** implemented on the core digital platform.
- Velocity and Recognition: Accelerated the end-to-end client onboarding lifecycle to a record 10 days for complex global entities (e.g., RSM US), earning the prestigious **MNC Spotlight Award and promotion** to Chief Manager within 1.5 years.

Aien Label | Founder and Lead Product Manager

Jun 2022 - Aug 2023

- 0-1 Platform Strategy: Acted as an owner to build, launch and operate an e-commerce platform from zero, managing the entire multi-quarter product roadmap, consumer marketing strategy, and user experience.
- Strategic Digital Alliances: Spearheaded high-impact, end-to-end digital partner integrations and digital supply chain logistics in active collaboration with national fashion platforms including Nykaa Fashion and Ogaan.

American Express | Risk Strategy Analyst

Feb 2020 - Jun 2022

- Analytical Risk Management: Evaluated massive, ambiguous merchant datasets to build and deploy **15+ predictive** strategy rules, protecting the commercial portfolio against macroeconomic default shifts.
- System Scale and Optimization: Formulated automated SQL reporting pipelines to seamlessly integrate the newly acquired Kabbage lending infrastructure, cutting critical MIS generation timelines by 85% (from 20 working days to 3).

HP Inc. | Management Trainee (Sales & Marketing)

May 2019 - Feb 2020

- National Performance Leadership : Secured the **#1 ranking** across India in the corporate seeding initiative by crafting a highly localized, high-penetration media and product adoption strategy across Rest of Maharashtra and Goa.
- Emergent Team Leadership: Mentored and led a cross-functional **team of 4 sales executives**, optimizing performance to achieve a **95%** average output rate against aggressive regional growth targets.
- Supply Chain Optimization: Managed an ecosystem of **15 strategic suppliers** providing business consulting and growth strategies to streamline vendor fulfillment and expand distribution channels.
